Love Cave

WEDDING VENUE

The wedding terrace

Located in the picturesque village of Oia, our venue offers the most spectacular, direct view of the Santorini sunset and the island's famous caldera, truly a fairytale setting for your wedding celebration. Exchange your vows in a private ceremony surrounded by your closest friends and family, then enjoy an intimate dinner on the very same terrace. The space can be styled with the decorations and colors of your choice, with candles, flowers, and romantic music creating the perfect atmosphere for the most memorable day of your life.

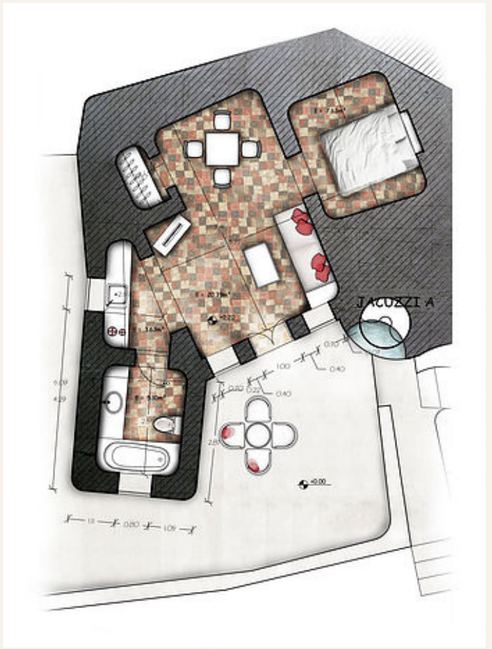

What makes this venue even more special is its location: all of Oia's famous photo spots are just a short walk away, making it the perfect place not only for your wedding but also for capturing stunning wedding photographs around the village.

Senior Cave

Spacious and elegant, a suite consisting of one bedroom with a double build-in bed, a living room with a sofa-bed and one bathroom. The ultimate lover's hideout with an outdoor veranda to have relaxing moments while enjoying the view from your heated Jacuzzi. Ideal for a couple to enjoy a romantic stay in privacy.

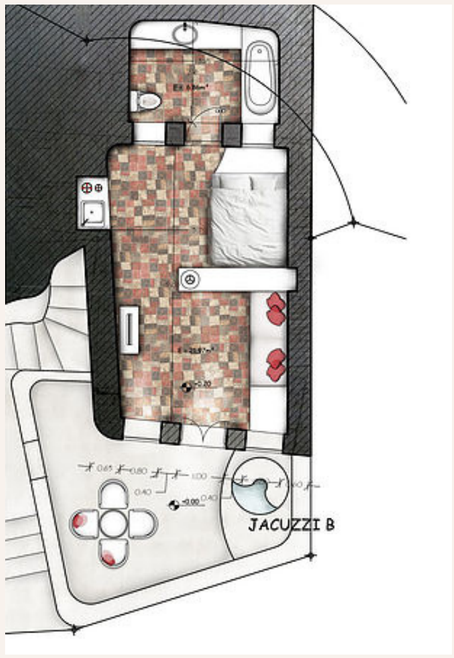

Junior Cave

A luxurious suite consisting of an open plan bedroom with a double build-in bed, a cozy sofa-bed and one bathroom. The outdoor veranda of the villa has a direct caldera view and of course, a heated Jacuzzi from where you can admire the sunset.

Choosing Diamond Rock will be the best ever decision you will make! If we could remarry, we would do it in the same place with the same team! We chose a destination wedding because I am Lithuanian and my husband is from Norway. I'm not sure I can even find the right words to describe how amazing this team and location are! Not a single thing slipped! The customer service is a perfect 10/10!

This won't be just a wedding. It will be a Hollywood setting, with you and your partner as the main characters. It's hard to hold back tears thinking about how incredible everything was — from the attention to detail, like a friendly hand helping me down the stairs while offering ice water in the other, to the carefully selected songs for every important moment.

Our intimate wedding of 14 people took place at the breathtaking Love Cave Venue — surrounded by white houses perched on the cliffs, with stunning sea views and Santorini's famously perfect weather. It was tiny, gorgeous, intimate, and cozy — everything you could dream of. One of the best parts? Staying right next door to my childhood friends — we basically had a pre- and post-wedding jacuzzi club going on. When you book the Love Cave Venue, you get two suites: one for the couple, and one (in our case) for my three best friends. It felt like a mini wedding village — cozy, private, and full of laughter. And let's talk about the breakfast… delivered right to our door like royalty. Warm dishes, fresh fruit, everything beautifully presented — it was basically a five-star brunch in bed.

Very detailed, attentive and easy experience!

The Santorini wedding wonderland team provided a very easy experience for helping me plan my wedding long distance. They are very responsive and accommodating. They made sure to continuously update the budget breakdown for me and helped me to work within my smaller budget for my small ceremony.

Absolutely Amazing!

I could not recommend The Diamond Rock Santorini enough! We worked with Mimi and she was beyond fantastic. She made the process of planning the perfect wedding so easy and enjoyable. We could have never had such a dream wedding without her. She also organized an entire week of gorgeous events (sunset sail, cooking class...) for all of our guests. Every person who attended said it was the most beautiful and magical wedding they have ever been to. We all had the week of our lives. Thank you Mimi!

Kalimera,

Bill and I just want to thank you all for putting together such an amazing and beautiful event! We couldn't have asked for a better day. It was magical! The people were amazing and everyone did such an amazing job! Please send our gratitude to everyone for putting everything together. The photographers and videographer were amazing and very attentive. We had a great time during our photography session. I kind of want to do it again just because 😂. Flora played beautifully! Popi made me look amazing. I didn't know I could look like that! The catering staff were also attentive and did an amazing job. Our family had a wonderful time and the food was delicious! And ladies, the decorations and set up were absolutely gorgeous. We cannot thank you enough for making yesterday incredibly magical, not just for us, but for everyone. Efcharisto!! ❤️❤️ This truly has been a beautiful experience. Thank you so much for making it happen!
